

**1. Design the following static web pages required for an online book store web site**

**1) HOME PAGE: The static home page must contain three frames.**

**2) LOGIN PAGE**

**3) CATALOGUE PAGE: The catalogue page should contain the details of all the books available.**

1) HOME PAGE: The static home page must contain three frames.

**Top frame** : Logo and the college name and links to Home page, Login page, Registration page, Catalogue page and Cart page (the description of these pages will be given below).

**Left frame** : At least four links for navigation, which will display the catalogue of respective links. For e.g.: When you click the link "CSE" the catalogue for CSE Books should be displayed in the Right frame.

**Right frame:** The pages to the links in the left frame must be loaded here. Initially this page contains description of the web site.

**index.html**

```
